### Old Business

No old business to discuss.

### New Business

Jeff T. discussed a proposal from a former inmate at JoCo Corrections in Gardner to supply the center with a dozen Big Books and 12x12's for general use. The estimated cost is less than \$250. There was a great deal of discussion. It was agreed the Yellow Can fund would not be used for this. Jeff and Dennis N. will do some more research and bring it up again at the next business meeting.

Michelle has been appointed Saturday night speaker meeting Program Director. There will be 2 greeters and 2 setup/takedown people who will serve one month terms. Michelle will post a sign-up sheet, ensure there is cake, and will make restaurant reservations.

A motion was made to change the Wed 10:00am meeting to a 12x12 discussion. Motion passed.

There was considerable discussion regarding the Friday 7:00pm meditation meeting - specifically dealing with issues some have with material that is read and then offered to the group. No motions were made and the group agreed to discuss this some more at the next meeting.

The next business meeting will be held on Monday, February 12 at 8:15pm.
