District 10 Report

Frank attended the District 10 meeting. There was no old or new business to report. The old timers meeting was held and went very well. Around 100 people showed up.

Officers Reports

Treasurer's Report – Chris H. distributed and reviewed the treasurer's report and the group approved the report after Dan Monks made a motion to approve. Chris called the companies to whom we wrote checks that have been outstanding for several months. He will follow up this week.

Corrections Report – AJ read a letter asking for volunteers to correspond with an Ellsworth inmate. The letter will be posted on the board. Volunteers are still needed for the Community Weekend Intervention Program (CWIP). Details are posted on the bulletin board.

Literature – No report, but we did get some books in.

Treatment – Chris reported that newcomers packets are being prepared for senior citizens centers and nursing homes.

CPC (Cooperation with Professional Communities) – No report.

Central Office – Dennis M. gave the Central Office report. The C.O. picnic will be held 6/17. The price of the KC directory is being increased from \$1 to \$2 and the price of the newsletter is increasing from \$6 to \$10. C.O. needs volunteers to help put out the newsletter. They also need help with carrying the pager.

PI (Public Information) – Dan M. reported that in the Fall, we will contact Health teachers in JoCo high schools to speak to health classes. The PSA's were viewed and

Channel 9 ran a series of spots. Three more stations will be running the spots in the next 60 days. Dan is taking over the district PI responsibilities until a replacement can be found.

Old Business

The group voted to increase rent payment to the church by \$50 to \$500.

New Business

Meeting leaders will be asked to announce that a vote will be taken at the next business meeting on whether children will be allowed at closed meetings.

The next business meeting will be held on Monday, June 11 at 8:15pm.
